EIGHTH LEGISLATURE.

COUNCIL PROCEEDINGS.

TWENTIETH DAY, January 23.—Met as per adjournment. All present but Mr. Zeckendorf who came in during the session. Council bill relating to accuquas and irritating canals reported adversely by special committee, and thereafter indefinitely postponed. Communication from Wasson & Brown showing disposition of Governor's messages printed by them in English and Spanish, was read and placed on file for future reference. House bill fixing time of holding district courts, read twice and referred to judiciary committee. Mr. Davis was appointed on committee of conference asked by the House on Council amendments to House bill relating to incorporation of towns and villages. Adjourned.

TWENTY-SECOND DAY, Jan. 25.—Met as per adjournment. All present. Mr. DeLong reported from finance committee, bill to license lawyers, doctors, etc., with a number of amendments and in favor of its passage as amended and amendments were adopted. Committee on agriculture reported favorably with amendments bill regarding lawful fences and trespasses. Judiciary committee reported favorably on House bill fixing times of holding district courts. Mr. Campbell from special committee of one from each county, reported favorably with amendments, bill fixing salaries of county treasurers. Mr. Hargrave introduced a bill to prescribe fees of justices of the peace in certain cases, and Mr. DeLong one relating to the sale of spirituous or malt liquors or wines at retail, and Mr. Zeckendorf one in relation to compulsory education. Notices of introduction of several bills were given. Bill to tax net proceeds of mines came up under special order and was considered and amended. Message was received from the Governor announcing his approval of bill fixing salary of the Territorial treasurer. This bill cuts the annual salary down from \$500 to \$500. Adjourned.

TWENTY-THIRD DAY, Jan. 26.—Met as per adjournment. All present. Bill to tax net proceeds of mines was referred to special committee consisting of Messrs. Hargrave, DeLong and Davis. Mr. Brady, from committee on counties, presented a petition signed by A. H. Peoples, E. Landley, M. L. Peralta, H. Mannasse and 101 others asking that a portion of Yavapai county including Wickenburg and Smith's mill, be annexed to Maricopa county, the line to commence at a point known as the Black Tanks on the Wickenburg and Ehrenberg road, and thence due east across Yavapai county. Referred to special committee of Yavapai and Maricopa delegations. Petition was received from 41 citizens of Chino Valley asking that a portion of the school fund be set apart for support of a private school in that valley, and was referred to Yavapai delegation. The committee on claims unanimously reported unfavorably the House bill to pay Lyman A. Smith \$500 for arresting one of the McCartney murderers in Yuma county, on the ground that claimant has no legal or equitable claim therefor, and the committee deem it but just to ourselves and to the people of the Territory to give some of the facts on which we base our reasons for this report. Soon after the murder of McCartney, one of the murderers was arrested at the request of the Hon. J. M. Redondo, who had cause to suspect him, and the suspected party was incarcerated in the county jail of Yuma county, the claimant Lyman A. Smith, acting as guard at the jail and probably under pay from Yuma county, at no expense or danger to himself, worried out of the prisoner the facts of the murder and the name of his accomplices who were thereupon arrested and convicted. Other parties, it also appears, have claimed the reward and when convinced they could not obtain it, have since urged the payment of the claim to Smith. From these and other facts, we believe that this claim has none of the requirements contemplated by the Governor in offering rewards for the arrest of murderers, there being neither time, trouble, danger or expense incurred by the claimant; and there is no evidence to show that any reward was offered before the arrest by Smith of the criminal.

Special committee reported favorably, with amendments, bill for taxing net proceeds of mines and made special order for 2 p. m. Mr. DeLong introduced bills relating to insurance companies and one repealing section 29, chapter 57 of Compiled Laws. Bill amending chapter 48 relating to proceedings in civil cases, was passed by 15 ayes and the nays of Messrs Bashford, Head and Moeller. ISAAC N. DAWLEY, United States Postal agent for Colorado, New Mexico and Arizona, died yesterday morning at 4 o'clock, at the American house. He left the hotel, in company with his wife and daughters, Wednesday evening, and spent some time at Anderson's skating rink. From there he accompanied his family to Guard hall, where St. John's Sunday school festival was in progress. He remained in the hall until midnight, joining in the dancing exercises, and chatting and promenading with his friends. He returned with his family to the hotel, and retired apparently in his usual health; but about 3 o'clock he awoke in a spasm. Dr. Newman was summoned, and shortly afterward Dr. Justice arrived. The spasm passed off, and Mr. Dawley recovered perfect consciousness, though he complained of great pain in the region of the heart. He said to those about him that he was dying. After several violent attempts at vomiting, he was attacked with a second spasm, which resulted in death in a very short time. The cause of his death was doubtless angina pectoris, or neuralgia of the heart, which organ had probably become softened. Major Dawley was fifty-three years of age. He was a native of New York, but emigrated to California in 1848, and was engaged in the banking business at Nevada City for several years prior to 1862, at which time he was appointed to a postal position on the Pacific coast. He has, if we are rightly informed, held his agency over Colorado, New Mexico and Arizona, about four years, and his commission for 1875 reached here from Washington yesterday. His immediate mourners are a wife, two daughters, and a brother who lives at Nederland, Boulder county. Major Dawley was an agreeable companion, and counted his friends by hundreds.—Denver News, Jan. 1.
